## **Parish Council Updates**

### **Councillor Resignation**

Rina Hall announced that she is stepping down from her role. We would like to thank her for all her work and support, particularly in relation to highways.

If you are interested in becoming a councillor and would like more information please email [clerk.crawley@parish.hants.gov.uk](mailto:clerk.crawley@parish.hants.gov.uk).

### **Pond and Burial Ground Wardens**

We are pleased to report that we have two parishioners who have volunteered to become wardens: David Jordan – Pond and Vanessa Chapman – Burial and Memorial Ground.

### **New Noticeboard**

We are pleased with the wooden noticeboard which has been erected in the recreation ground, near to the entrance. This will house cricket club information as well as notices of interest to the community.

### **Hampshire County Council is seeking the views of residents about 20 mph limits within Hampshire.**

The County Council is keen to hear from as many residents, businesses and other stakeholders as possible, to find out their views on the implementation of 20mph limits in the context of other highways priorities and the County Council's statutory duties to maintain the highway in a safe condition within a limited budget.

The findings from the survey, together with data about use of the highway, speed enforcement, road safety and environmental impacts will be important in helping to shape future policy relating to 20mph speed limits in Hampshire and, in turn, future decision-making around 20mph speed limits.

The survey is available at:

<https://www.hants.gov.uk/transport/transportchemes/20mph-speed-limits-consultation> and should take just 15 minutes to complete.

It is open until midnight on Monday 12 September 2022.

### **Three Maids Hill**

Concrete Crusher - Further to the public inquiry held on the 10 May 2022 the Inspector allowed the appeal and planning permission is granted for an inert waste recycling facility at the above site.

Anaerobic Digester - A proposal has been put forward for the construction of an anaerobic digester. As yet there has been no planning application.
