### 19.01 To Approve Minutes of 20 May 2024 Meeting

The minutes were approved.

### 19.02 Recreation ground

- **Condition/Upkeep**

There are stones in the area where the new earth was laid around the cricket nets. These are to be removed in the winter. At the moment this section is not being mown.

- **Playground**

The gate post has been replaced. The broken slide has been replaced and the installation is to be checked by Sovereign when they carry out their next inspection in August. The red wheel that was originally inside a play hut has been removed.

- **Cricket**

The pavilion has had a lot of upgrading work carried out. This includes carpentry, a new toilet so that there are now two separate outside toilets - men and ladies, new guttering and inside there are new pictures.

The team has won several games recently and there is a good team spirit.
