The MOP brought to the attention of councillors the potholes between 8&10 Hack Lane and advised that these have been reported to HCC.

Gritting seems to be a low priority for HCC – Cllr Warwick spoke later on this issue.

There are two blue bins in the village, one by the pond and one in Hacks Lane. This should be Reviewed to assess if two bins are sufficient. Cllr Anderson to review either end of Hacks Lane in the daylight.

- There is a new nature reserve strategy as a result of the local plan update in order to protect areas of natural environmental importance
- Crawley is Priority Two Route for gritting -
Priority Two Community Routes may be treated when there is prolonged and persistent frost, ice or snow which is expected to continue. This occurs only after clearing Priority One routes and when there is enough time to treat them without affecting any of the Priority One routes.

25/26 – 79 Report from Neighbourhood Watch

Membership: New villagers have been given information about joining NHW

Crime: Relatively quiet here in Crawley – although the theft of a vehicle from a villager's driveway recently was very alarming.

CRAWLEY PARISH COUNCIL –19 JANUARY 2026

Report to Wonston & Micheldever Ward Parish Councils January 2026 from Cllrs Cunningham, Godfrey and Horrill

Mayoral election postponement

The government has proposed they postpone the May 2026 mayoral elections in Hampshire and the Solent until May 2028. The upper tier authorities are proposing the election should be in 2027 at the very latest. Caroline and Stephen asked the Council at its meeting last night to call for the elections for the new Hampshire Mayor and for the planned elections for City and County Councillors to all go ahead in May 2026. We believe that the delay in these elections would be undemocratic. The Council agreed our motion and we have communicated accordingly, but the final decision regarding the elections is still to be announced by the Government.

Local Government Reorganisation

The consultation for the four options currently being considered for local government reorganisation has closed.

Five Councils: three options for four new councils in mainland Hampshire, with the Isle of Wight remaining as a separate unitary authority, submitted by us and ten other councils in Hampshire.

Four Councils submitted by Hampshire County Council and East Hampshire District Council, for three new mainland councils in mainland Hampshire alongside the Isle of Wight.

We await the Government verdict.

Basingstoke & Deane Local Plan

A consultation was held last week in Micheldever Station regarding the Reg 18 draft of the Basingstoke and Deane Local Plan. Have your say about the plan especially about the proposals for 1800 new homes in Popham Garden Village along with employment space and a solar farm. Comments should be submitted by Friday 23rd January to www.basingstoke.gov.uk/DLP-have-your-say
