

M3 junction 9 improvements upcoming closures for the next few months.

Below sets out the planned closures for the planned works:

- Overnight from **Monday 13 April to Friday 8 May** (excluding **23, 24 and 25 April** and weekends apart from **Saturday 2 and Sunday 3 May**) we are closing the A272 both northbound and southbound (8pm to 6am) – Surfacing works and A272 gyratory island build.
 - **Switch off satnav and follow signed diversion:** [A272 Spitfire Link closure northbound and southbound](#)
- Overnight on **Saturday 18 April** we are closing the A34 at Three Maids Hill and A33 the Cart and Horse junction southbound – Surfacing works
 - **Switch off satnav and follow signed diversion:** [A34/A33 southbound diversions](#)
- Overnight on **Thursday 23, Friday 24, Saturday 25, and Sunday 26 April** we are closing the eastern side of the gyratory and the A272 northbound (8pm to 6am) – A272 gyratory island build
 - **Switch off satnav and follow signed diversion:** [Gyratory and A272 northbound diversions](#)
- Overnight on **Tuesday 5, Wednesday 6, Thursday 7, Friday 8, Saturday 9, and Sunday 10 May** we are closing the M3 both northbound and southbound between junctions 8 and 9 (8pm to 6am) – New bridge works and vegetation removal
 - **Switch off satnav and follow signed diversion:** [M3 junction 9 to 8 northbound and southbound diversion](#)

Our diversion routes are designed to suit all vehicle types.

We advise you not to use a Satnav when following any of our diversions because there is a risk it could direct you down an unsuitable road or back onto our network when it is closed.

Please remember that closures can change at short notice. You can check the latest information on our [daily closures page](#) or find live travel information on our [Traffic England](#). Our [travel alerts](#) give details of live incidents on our network.

We also post updates through our south east [X](#) and [Facebook](#) social media accounts which you can share.

Please note lane closure information is not usually provided on our project website or closure bulletins.

In the event of poor weather conditions or other issues out of our control, planned work may be postponed at short notice.
