

M3 junction 9 improvements upcoming standard overnight closures for the next few weeks.

Below sets out the planned closures for the planned works:

- Overnight on 17 October (8pm to 6am) we are closing the M3 junction 9 southern bridge deck between slip roads - Footpath resurfacing
 - o Switch off satnav and follow signed diversion: M3 junction 9 southern bridge deck closure
- Overnight on Monday 26, Tuesday 27, Wednesday 28, Thursday 29 and Friday 30 October (8pm to 6am) we are closing the A34 northbound from junction 9 to Three Maids Hill - Vegetation clearance
 - o Switch off satnav and follow signed diversion: A34 northbound diversion
- Overnight from Monday 9 until Friday 27 November (excluding Saturdays and Sundays) (8pm to 6am) we are closing the M3 southbound exit slip road - Planting works
 - o Switch off satnav and follow signed diversion: M3 southbound exit slip road diversion

Remember Bridge Demolition weekend closures

- 9pm Friday 23 October to 6am Monday 26 October 2026 (northern bridge demolition)
- 9pm Friday 6 November to 6am Monday 9 November 2026 (southern bridge demolition)
- o M3 junction 9 to 8 northbound and southbound diversions

****Dates may be subject to change****

Please ensure the signed diversion routes are followed, allow extra time and avoid unsuitable local roads.

Long-distance and freight traffic should use an alternative better suited route i.e. A37 to A30 to A34 or A3 to the M25, we ask these are incorporated into route planning.

Our diversion routes are designed to suit all vehicle types.

We advise you not to use a Satnav when following any of our diversions because there is a risk it could direct you down an unsuitable road or back onto our network when it is closed.

Please remember that closures can change at short notice. You can check the latest information on our daily closures page or find live travel information on our Traffic England. Our travel alerts give details of live incidents on our network.

We also post updates through our south east X and Facebook social media accounts which you can share.

Please note lane closure information is not usually provided on our project website or closure bulletins.

In the event of poor weather conditions or other issues out of our control, planned work may be postponed at short notice.
